mello good Jul 27, 2020

so there is this dog named shorty. (i apologize to those of you who might have already been told about him)

i am obsessed. i really want to adopt him cause ya!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! would we get into all types of cuteness. below are some examples of the cuteness we would do together:

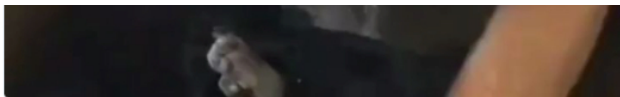

(editor's note: please use your imagination to substitute any humans in the example with me. and substitute the dog in each example with shorty)

Because you want to see a dog eating a burrito on his human's lap, who is also eating a burrito.

...i will keep you updated on my journey of trying not to but maybe acquiescing and adopting the little short king

An Editor's letter to all of the dogs currently in my life: (bennett, abby, ricky, finn, zeke, sweet pea, moose, juni, zuzu, and jack [yes you're a cat but also a dog basically])

Dearest [insert your dog's name],

The hypothetical adoption of shorty does not mean that uncle mello loves you any less or that you will receive any less attention. I want you to know that you are and will always be my favorite and shorty could never replace you :) *rubs belly*

always be my favorite and shory could never replace you / r u s b e n y

-Love Uncle Mello
